- Front and Back of your Driver's License

Stripe: Your Payment Gateway

- You must set up your Stripe account and connect it to your driver portal via the link in the 'business details' page of your driver profile (click on your profile image in the top right corner). You will not be able to set up 'Stripe' if you are using the 'Safari' web browser.

- You must verify your Stripe account within 24 hours of receiving the confirmation email (you will not be able to take trips or receive payment if not).

Tollways

- Set up an e-TAG account.
Shebah recommends setting up an e-TAG account with a toll collection company. With an e-TAG in your car tolls will be automatically deducted from your account, reducing the risk of incurring additional fees from late toll payment.
